

Set your Terminal program for 115200 Baud 8-1-N and "Connect"

If your converter is connected correctly then whatever you "send" will appear in your "receive" window.

Set your Terminal program for 115200 Baud 8-1-N and "Connect"

If you send AT from your terminal you should receive a reply of OK

Perhaps change Baud rates if you are not getting correct response
